3. Reports and additional information submitted by States parties under article 19 of the Convention shall be documents for general distribution, unless the State party concerned requests otherwise.

X. Conduct of business

Quorum

Rule 36
Six members of the Committee shall constitute a quorum.

Powers of the Chairperson

Rule 37
The Chairperson shall declare the opening and closing of each meeting of the Committee, direct the discussion, ensure observance of these rules, accord the right to speak, put questions to the vote and announce decisions. The Chairperson, subject to these rules, shall have control over the proceedings of the Committee and over the maintenance of order at its meetings. The Chairperson may, in the course of the discussion of an item, propose to the Committee the limitation of the time to be allowed to speakers, the limitation of the number of times each speaker may speak on any question and the closure of the list
of speakers. He/she shall rule on points of order. He/she shall also have the power to propose adjournment or closure of the debate or adjournment or suspension of a meeting. Debate shall be confined to the question before the Committee, and the Chairperson may call a speaker to order if his/her remarks are not relevant to the subject under discussion.

**Points of order**

**Rule 38**

During the discussion of any matter, a member may, at any time, raise a point of order, and such a point of order shall immediately be decided upon by the Chairperson in accordance with the rules of procedure. Any appeal against the ruling of the Chairperson shall immediately be put to the vote, and the ruling of the Chairperson shall stand unless overruled by a majority of the members present. A member raising a point of order may not speak on the substance of the matter under discussion.

**Time limit on statements**

**Rule 39**

The Committee may limit the time allowed to each speaker on any question. When debate is limited and a speaker exceeds his/her allotted time, the Chairperson shall call him to order without delay.

**List of speakers**

**Rule 40**

During the course of a debate, the Chairperson may announce the list of speakers and, with the consent of the Committee, declare the list closed. The Chairperson may, however, accord the right of reply to any member or representative if a speech delivered after he/she has declared the list closed makes this desirable. When the debate on an item is concluded because there are no other speakers, the Chairperson shall declare the debate closed. Such closure shall have the same effect as closure by the consent of the Committee.

**Suspension or adjournment of meetings**

**Rule 41**

During the discussion of any matter, a member may move the suspension or the adjournment of the meeting. No discussion on such motions shall be permitted, and they shall immediately be put to the vote.

**Adjournment of debate**

**Rule 42**

During the discussion of any matter, a member may move the adjournment of the debate on the item under discussion. In addition to the proposer of the motion, one member may speak in favour of and one against the motion, after which the motion shall immediately be put to the vote.
Closure of debate

Rule 43

A member may, at any time, move the closure of the debate on the item under discussion, whether or not any other member has signified his/her wish to speak. Permission to speak on the closure of the debate shall be accorded only to two speakers opposing the closure, after which the motion shall immediately be put to the vote.

Order of motions

Rule 44

Subject to rule 38, the following motions shall have precedence in the following order over all other proposals or motions before the meeting:

(a) To suspend the meeting;
(b) To adjourn the meeting;
(c) To adjourn the debate on the item under discussion;
(d) For the closure of the debate on the item under discussion.

Submission of proposals

Rule 45

Unless otherwise decided by the Committee, proposals and substantive amendments or motions submitted by members shall be introduced in writing and handed to the secretariat, and their consideration shall, if so requested by any member, be deferred until the next meeting on a following day.

Decisions on competence

Rule 46

Subject to rule 44, any motion by a member calling for a decision on the competence of the Committee to adopt a proposal submitted to it shall be put to the vote immediately before a vote is taken on the proposal in question.

Withdrawal of motions

Rule 47

A motion may be withdrawn by the member who proposed it at any time before voting on it has commenced, provided that the motion has not been amended. A motion which has thus been withdrawn may be reintroduced by any member.

Reconsideration of proposals

Rule 48

When a proposal has been adopted or rejected, it may not be reconsidered at the same session unless the Committee so decides. Permission to speak on a motion to
reconsider shall be accorded only to two speakers in favour of the motion and to two speakers opposing the motion, after which it shall be immediately put to the vote.

XI. Voting

Voting rights

Rule 49
Each member of the Committee shall have one vote.

Adoption of decisions

Rule 50
1. Decisions of the Committee shall be made by a majority vote of the members present.
2. Before voting, the Committee shall endeavour to reach its decisions by consensus, provided that the Convention and the rules of procedure are observed and that such efforts do not unduly delay the work of the Committee.
3. Bearing in mind the previous paragraph of this rule, the Chairperson at any meeting may, and at the request of any member shall, put a proposal or the adoption of a decision to a vote.

Equally divided votes

Rule 51
If a vote is equally divided on matters other than elections, the proposal shall be regarded as rejected.

Method of voting

Rule 52
Subject to rule 58, the Committee shall normally vote by show of hands, except that any member may request a roll-call, which shall then be taken in the alphabetical order of the names of the members of the Committee, beginning with the member whose name is drawn by lot by the Chairperson.

Roll-call votes

Rule 53
The vote of each member participating in any roll-call shall be inserted in the record.
Conduct during voting and explanation of votes

Rule 54

After the voting has commenced, there shall be no interruption of the voting except on a point of order by a member in connection with the actual conduct of the voting. Brief statements by members consisting solely of explanations of their votes may be permitted by the Chairperson before the voting has commenced or after the voting has been completed.

Division of proposals

Rule 55

Parts of a proposal shall be voted on separately if a member requests that the proposal be divided. Those parts of the proposal which have been approved shall then be put to the vote as a whole; if all the operative parts of a proposal have been rejected, the proposal shall be considered to have been rejected as a whole.

Order of voting on amendments

Rule 56

1. When an amendment to a proposal is moved, the amendment shall be voted on first. When two or more amendments to a proposal are moved the Committee shall first vote on the amendment furthest removed in substance from the original proposal and then on the amendment next furthest removed therefrom, and so on, until all amendments have been put to the vote. If one or more amendments are adopted, the amended proposal shall then be voted upon.

2. A motion is considered an amendment to a proposal if it merely adds to, deletes from or revises part of that proposal.

Order of voting on proposals

Rule 57

1. If two or more proposals relate to the same question, the Committee shall, unless it decides otherwise, vote on the proposals in the order in which they have been submitted.

2. The Committee may, after each vote on a proposal, decide whether to vote on the next proposal.

3. Any motions requiring that no decision be taken on the substance of such proposals shall, however, be considered as previous questions and shall be put to the vote before them.

XII. Elections

Method of elections

Rule 58

Elections shall be held by secret ballot, unless the Committee decides otherwise in the case of elections to fill a place for which there is only one candidate.
Conduct of elections when only one elective place is to be filled

Rule 59

1. When only one person or member is to be elected and no candidate obtains in the first ballot the majority required, a second ballot shall be taken, which shall be restricted to the two candidates who obtained the greatest number of votes.

2. If the second ballot is inconclusive and a majority vote of members present is required, a third ballot shall be taken in which votes may be cast for any eligible candidate. If the third ballot is inconclusive, the next ballot shall be restricted to the two candidates who obtained the greatest number of votes in the third ballot and so on, with unrestricted and restricted ballots alternating, until a person or member is elected.

3. If the second ballot is inconclusive and a two-thirds majority is required, the balloting shall be continued until one candidate secures the necessary two-thirds majority. In the next three ballots, votes may be cast for any eligible candidate. If three such unrestricted ballots are inconclusive, the next three ballots shall be restricted to the two candidates who obtained the greatest number of votes in the third such unrestricted ballot, and the following three ballots shall be unrestricted, and so on until a person or member is elected.

Conduct of elections when two or more elective places are to be filled

Rule 60

When two or more elective places are to be filled at one time under the same conditions, those candidates obtaining in the first ballot the majority required shall be elected. If the number of candidates obtaining such majority is less than the number of persons or members to be elected, there shall be additional ballots to fill the remaining places, the voting being restricted to the candidates obtaining the greatest number of votes in the previous ballot, to a number not more than twice the places remaining to be filled; provided that, after the third inconclusive ballot, votes may be cast for any eligible candidates. If three such unrestricted ballots are inconclusive, the next three ballots shall be restricted to the candidates who obtained the greatest number of votes in the third of the unrestricted ballots, to a number not more than twice the places remaining to be filled, and the following three ballots thereafter shall be unrestricted, and so on until all the places have been filled.

XIII. Subsidiary bodies

Establishment of subsidiary bodies

Rule 61

5. The Secretary-General shall maintain a list of such requests for interim measures.

6. The Rapporteur on new complaints and interim measures shall also monitor compliance with the Committee’s requests for interim measures.

7. The State party may inform the Committee that the reasons for the interim measures have lapsed or present arguments why the request for interim measures should be lifted.

8. The Rapporteur, the Committee or the Working Group may withdraw the request for interim measures.

Additional information, clarifications and observations

Rule 115

1. As soon as possible after the complaint has been registered, it should be transmitted to the State party, requesting it to submit a written reply within six months.

2. The State party concerned shall include in its written reply explanations or statements that shall relate both to the admissibility and the merits of the complaint as well as to any remedy that may have been provided in the matter, unless the Committee, Working Group or Rapporteur on new complaints and interim measures has decided, because of the exceptional nature of the case, to request a written reply that relates only to the question of admissibility.
3. A State party that has received a request for a written reply under paragraph 1 both on admissibility and on the merits of the complaint may apply in writing, within two months, for the complaint to be rejected as inadmissible, setting out the grounds for such inadmissibility. The Committee or the Rapporteur on new complaints and interim measures may or may not agree to consider admissibility separately from the merits.

4. Following a separate decision on admissibility, the Committee shall fix the deadline for submissions on a case-by-case basis.

5. The Committee or the Working Group established under rule 112 or Rapporteur(s) designated under rule 112, paragraph 3, may request, through the Secretary-General, the State party concerned or the complainant to submit additional written information, clarifications or observations relevant to the question of admissibility or merits.

6. The Committee or the Working Group or Rapporteur(s) designated under rule 112, paragraph 3, shall indicate a time limit for the submission of additional information or clarification with a view to avoiding undue delay.

7. If the time limit provided is not respected by the State party concerned or the complainant, the Committee or the Working Group may decide to consider the admissibility and/or merits of the complaint in the light of available information.

8. A complaint may not be declared admissible unless the State party concerned has received its text and has been given an opportunity to furnish information or observations as provided in paragraph 1 of this rule.

9. If the State party concerned disputes the contention of the complainant that all available domestic remedies have been exhausted, the State party is required to give details of the effective remedies available to the alleged victim in the particular circumstances of the case and in accordance with the provisions of article 22, paragraph 5 (b), of the Convention.

10. Within such time limit as indicated by the Committee or the Working Group or Rapporteur(s) designated under rule 112, paragraph 3, the State party or the complainant may be afforded an opportunity to comment on any submission received from the other party pursuant to a request made under the present rule. Non-receipt of such comments within the established time limit should not generally delay the consideration of the admissibility of the complaint.

**Inadmissible complaints**

**Rule 116**

1. Where the Committee or the Working Group decides that a complaint is inadmissible under article 22 of the Convention, or its consideration is suspended or discontinued, the Committee shall as soon as possible transmit its decision, through the Secretary-General, to the complainant and to the State party concerned.

2. If the Committee or the Working Group has declared a complaint inadmissible under article 22, paragraph 5, of the Convention, this decision may be reviewed at a later date by the Committee upon a request from a member of the Committee or a written request by or on behalf of the individual concerned. Such written request shall contain evidence to the effect that the reasons for inadmissibility referred to in article 22, paragraph 5, of the Convention no longer apply.
C. Consideration of the merits

Method of dealing with admissible complaints; oral hearings

Rule 117

1. When the Committee or the Working Group has decided that a complaint is admissible under article 22 of the Convention, before receiving the State party’s reply on the merits, the Committee shall transmit to the State party, through the Secretary-General, the text of its decision together with any submission received from the author of the communication not already transmitted to the State party under rule 115, paragraph 1. The Committee shall also inform the complainant, through the Secretary-General, of its decision.

2. Within the period established by the Committee, the State party concerned shall submit to the Committee written explanations or statements clarifying the case under consideration and the measures, if any, that may have been taken by it. The Committee may indicate, if it deems it necessary, the type of information it wishes to receive from the State party concerned.

3. Any explanations or statements submitted by a State party pursuant to this rule shall be transmitted, through the Secretary-General, to the complainant who may submit any additional written information or observations within such time limit as the Committee shall decide.

4. The Committee may invite the complainant or his/her representative and representatives of the State party concerned to be present at specified closed meetings of the Committee in order to provide further clarifications or to answer questions on the merits of the complaint. Whenever one party is so invited, the other party shall be informed and invited to attend and make appropriate submissions. The non-appearance of a party will not prejudice the consideration of the case.

5. The Committee may revoke its decision that a complaint is admissible in the light of any explanations or statements thereafter submitted by the State party pursuant to this rule. However, before the Committee considers revoking that decision, the explanations or statements concerned must be transmitted to the complainant so that he/she may submit additional information or observations within a time limit set by the Committee.

Findings of the Committee; decisions on the merits

Rule 118

1. In those cases in which the parties have submitted information relating both to the questions of admissibility and the merits, or in which a decision on admissibility has already been taken and the parties have submitted information on the merits, the Committee shall consider the complaint in the light of all information made available to it by or on behalf of the complainant and by the State party concerned and shall formulate its findings thereon. Prior thereto, the Committee may refer the communication to the Working Group or to a case Rapporteur designated under rule 112, paragraph 3, to make recommendations to the Committee.

2. The Committee, the Working Group, or the Rapporteur may at any time in the course of the examination obtain any document from United Nations bodies, specialized agencies, or other sources that may assist in the consideration of the complaint.
3. The Committee shall not decide on the merits of a complaint without having considered the applicability of all the admissibility grounds referred to in article 22 of the Convention. The findings of the Committee shall be forwarded, through the Secretary-General, to the complainant and to the State party concerned.

4. The Committee’s findings on the merits shall be known as “decisions”.

5. The State party concerned shall generally be invited to inform the Committee within a specific time period of the action it has taken in conformity with the Committee’s decisions.

**Individual opinions**

**Rule 119**

Any member of the Committee who has participated in a decision may request that his/her individual opinion be appended to the Committee’s decisions.

**Follow-up procedure**

**Rule 120**

1. The Committee may designate one or more Rapporteur(s) for follow-up on decisions adopted under article 22 of the Convention, for the purpose of ascertaining the measures taken by States parties to give effect to the Committee’s findings.

2. The Rapporteur(s) may make such contacts and take such action as appropriate for the due performance of the follow-up mandate and report accordingly to the Committee. The Rapporteur(s) may make such recommendations for further action by the Committee as may be necessary for follow-up.

3. The Rapporteur(s) shall regularly report to the Committee on follow-up activities.

4. The Rapporteur(s), in discharge of the follow-up mandate, may, with the approval of the Committee, engage in necessary visits to the State party concerned.

**Summaries in the Committee’s annual report and inclusion of texts of final decisions**

**Rule 121**

1. The Committee may decide to include in its annual report a summary of the complaints examined and, where the Committee considers appropriate, a summary of the explanations and statements of the States parties concerned and of the Committee’s evaluation thereof.

2. The Committee shall include in its annual report the text of its final decisions under article 22, paragraph 7 of the Convention.

3. The Committee shall include information on follow-up activities in its annual report.
