In accordance with rule 61, paragraph 2, of its rules of procedure, the Committee shall normally consider the reports submitted by States parties under article 16 of the Covenant in the order in which they have been received by the Secretary-General. Representatives of the reporting States are entitled to be present at the meetings of the Committee when their reports are examined; such representatives should be able to make statements on the reports submitted by their Governments and reply to questions which may be put to them by the members of the Committee.

In accordance with rule 62, paragraph 2, of the Committee's rules of procedure, the Secretary-General, in notes verbales dated 1 June 2010 informed the States parties concerned of the opening date and duration of the forty-fifth session of the Committee, and invited them to send representatives to attend the meetings of the Committee at which their reports would be considered. Following consultations with the Permanent Missions of the States parties concerned about the dates at which their respective reports would be examined, a tentative timetable for consideration of those reports was prepared by the Secretary-General in consultation with the Chairperson of the Committee.

As at 19 August 2010, 46 reports from 43 States parties as listed below had been received by the Secretary-General and were pending consideration by the Committee. The reports of the States parties which are scheduled for consideration at the forty-fifth (November 2010), forty-sixth (May 2011) and forty-seventh (November 2011) sessions of the Committee are identified in the last columns of the tables that follow. The reports indicated to be scheduled for consideration at sessions of the Committee further in the future are the next five reports received by the Committee, according to chronological order of receipt. Their scheduling for consideration by the Committee at its forty-fifth and future sessions is subject to approval by the Committee.
