Item 3

Report of the Chairperson on activities undertaken between the forty-first and forty-second sessions of the Committee

Under item 3, the Chairperson will brief the Committee on activities undertaken between the forty-first and forty-second sessions that had a bearing on the work of the Committee.

Item 4

Consideration of reports submitted by States parties under article 18 of the Convention on the Elimination of All Forms of Discrimination against Women

Article 18 of the Convention provides that States parties to the Convention shall undertake to submit to the Secretary-General, for consideration by the Committee, a report on the legislative, judicial, administrative or other measures that they have adopted to give effect to the provisions of the Convention and other progress made in that respect. Reports are to be submitted within one year of entry into force of the Convention for the State concerned and thereafter at least every four years and further, whenever the Committee requests.

On the basis of the authorization provided by the General Assembly in its resolution 62/218, at its forty-second session the Committee will meet in parallel chambers to consider the periodic reports of 12 States parties. The Committee will also consider the initial and second periodic reports of one State party in plenary.

At its thirty-seventh session, the Committee agreed on the need for basic and consistent criteria for determining membership in the chambers while recognizing the need for some flexibility to make adjustments in the composition of the two chambers, as may be necessary. Those criteria include fair geographical balance of experts between the two chambers; length of experience of experts on the

Committee; assignment of experts who are nationals of a reporting State to the chamber that is not considering the report from that State party; assignment of office holders of the Committee to each chamber; and geographical balance, to the extent possible, of States whose reports are to be taken up in each chamber. Taking those criteria into account, the Committee agreed to decide on the membership in the chambers based on a proposal to be submitted by its Bureau for action by the Committee in advance of each session.

At its forty-first session, the Committee established the composition of the parallel chambers for the forty-second session (see annex II).

At its forty-second session, the Committee will have before it the following reports: the combined initial and second periodic reports of Bahrain (CEDAW/C/BHR/2); the combined fifth and sixth periodic reports of Belgium (CEDAW/C/BEL/6); the combined second and third periodic reports of Cameroon (CEDAW/C/CMR/3); the combined sixth and seventh periodic reports of Canada (CEDAW/C/CAN/7); the seventh periodic report of Ecuador (CEDAW/C/ECU/7); the seventh periodic report of El Salvador (CEDAW/C/SVL/7); the third periodic report of Kyrgyzstan (CEDAW/C/KGZ/3); the combined second, third, fourth and fifth periodic reports of Madagascar (CEDAW/C/MDG/5); the combined fifth, sixth and seventh periodic reports of Mongolia (CEDAW/C/MNG/7); the combined second and third periodic reports of Myanmar (CEDAW/C/MMR/3); the sixth and seventh periodic reports of Portugal (CEDAW/C/PRT/6) and (CEDAW/C/PRT/7); the fourth periodic report of Slovenia (CEDAW/C/SVN/4) and the combined fourth, fifth, sixth and seventh periodic reports of Uruguay (CEDAW/C/URY/7).

Rule 51 of the rules of procedure provides that representatives of a State party shall be present at meetings of the Committee when the report of that State is being examined and shall participate in discussions and answer questions concerning the report. The Secretary-General has informed the States parties concerned of the tentative dates on which their reports are scheduled for consideration by the Committee at its forty-second session.

Rule 49 of the rules of procedure provides that, at each session, the Secretary-General shall notify the Committee of the non-receipt of any report required from a State party under article 18 of the Convention. The Secretary-General also provides the Committee with a list of reports submitted by States parties to the Convention, as well as a list of reports submitted by States parties to the Convention that have not yet been considered by the Committee. At its forty-second session, the Committee will have before it the report of the Secretary-General on the status of submission of reports by States parties under article 18 of the Convention (CEDAW/C/2008/III/2).

A pre-session working group of the Committee is convened before each session to prepare a list of issues and questions relating to reports for transmission to the States parties before the meetings at which their reports are to be considered. The pre-session working group for the forty-second session met from 4 to 8 February 2008. The report of the pre-session working group and the responses of States parties to the lists of issues and questions drawn up by the pre-session working group will be before the Committee, and will be presented by the Chairperson of the working group.
