Committee on the Elimination of Racial Discrimination

106th session

11–29 April 2022

Item 6 of the provisional agenda

**Consideration of reports, comments and information submitted
by States parties under article 9 of the Convention**

List of themes in relation to the combined twenty-second and twenty-third periodic reports of Cameroon

Note by the Country Rapporteur*

1. The Committee on the Elimination of Racial Discrimination decided at its seventy-sixth session¹ that the Country Rapporteur would send to the State party concerned a short list of themes with a view to guiding and focusing the dialogue between the State party's delegation and the Committee during the consideration of the State party's report. The present document contains a list of such themes. It is not an exhaustive list; other issues may also be raised in the course of the dialogue. No written replies are required.

The Convention in domestic law and the institutional and policy framework for its implementation (arts. 1, 2, 4, 6 and 7)

2. Statistics on the demographic composition of the population, disaggregated by ethnic origin, languages spoken and situation (migrant, refugee, asylum seeker, stateless person and internally displaced person). Economic and social indicators, disaggregated by ethnic origin, sex and age, for the various groups living in the territory of the State party, and particularly minorities and indigenous peoples, in the light of the fourth general population and housing census.²

3. Information on the prohibition of racial discrimination in line with articles 1, 2 and 4 of the Convention, and on the definition and criminalization of acts of racial discrimination and incitement to racial hatred, particularly in the light of the revision of the Criminal Code enacted in 2016. Information and statistical data on complaints filed with the courts for acts of racial discrimination, racist hate speech and racist hate crimes, including online and in the media, and on the number of investigations opened, prosecutions brought and convictions of perpetrators obtained.³

4. Information on the establishment, in 2019, of the Cameroon Human Rights Commission to replace the National Commission of Human Rights and Freedoms as the national independent institution for the promotion and protection of human rights, and on its compliance with the principles relating to the status of national institutions for the promotion

* The present report was submitted after the deadline in order to reflect the most recent developments.
