## **4. Consideration of reports submitted by States parties under article 18 of the Convention on the Elimination of All Forms of Discrimination against Women**

Article 18 of the Convention provides that States parties to the Convention shall submit to the Secretary-General, for consideration by the Committee, a report on the legislative, judicial, administrative or other measures that they have adopted to give effect to the provisions of the Convention and on the progress made in that respect. Reports are to be submitted within one year after the entry into force of the Convention for the State concerned and thereafter at least every four years and, further, whenever the Committee so requests.

The reports of the following States parties were scheduled to be considered at the seventy-seventh session of the Committee: Azerbaijan, Ecuador, Nicaragua, Senegal, South Africa, Sweden, Uruguay and Yemen.

Subsequently, the Committee decided to defer its consideration of the reports of the aforementioned States parties to a future session of the Committee, taking into account that no physical meetings will take place during the seventy-seventh session owing to the ongoing COVID-19 pandemic.

Rule 49 of the rules of procedure provides that, at each session, the Secretary-General shall notify the Committee of the non-receipt of any report required from a State party under article 18 of the Convention. The Secretary-General also regularly provides the Committee with a list of reports submitted by States parties to the Convention, as well as a list of reports submitted by States parties to the Convention that have not yet been considered by the Committee.

A pre-sessional working group of the Committee is convened before each session to prepare lists of issues and questions relating to reports for transmission to States parties before the meetings at which their reports are to be considered. The pre-sessional working group for the seventy-seventh session met in Geneva from 2 to 6 March 2020. The report of the pre-sessional working group ([CEDAW/C/PSWG/77/1](#)) and the replies of States parties to the lists of issues and questions will be before the Committee at a future session when the reports of the aforementioned States parties will be considered.

**5. Follow-up to the consideration of reports submitted by States parties under article 18 of the Convention**

The Committee will discuss matters relating to follow-up to concluding observations.

**6. Implementation of articles 21 and 22 of the Convention**

Article 21 of the Convention provides that the Committee may make suggestions and general recommendations based on the examination of the reports and information received from States parties. It also provides that such suggestions and general recommendations shall be included in the report of the Committee to the General Assembly, together with comments, if any, from States parties.

Article 22 of the Convention provides that the specialized agencies shall be entitled to be represented during the consideration of the implementation of such provisions of the Convention that fall within the scope of their activities and that the Committee may invite the specialized agencies to submit reports on the implementation of the Convention in those areas.
