### **B. General measures of implementation**

1. The Committee would appreciate receiving specific information on activities intended to implement recommendations contained in the Committee's previous concluding observations (CRC/C/15/Add.161) on the initial report of Oman (CRC/C/78/Add.1) that have not yet been fully implemented, in particular those related to reservations and legislation (paras. 8-11), non-discrimination (paras. 24-28), the right to a nationality (paras. 33-34), violence against children and child abuse (paras. 35-36), children with disabilities (paras. 41-42) and the administration of juvenile justice (paras. 53-54). Please explain the obstacles to implementation and how the State party envisages overcoming them.
2. Please provide information on cases, if any, in which the Convention has been directly invoked in domestic courts, and if so, please provide examples of such cases.

3. Please describe measures undertaken to strengthen data and statistics collection mechanisms and procedures with regard to the implementation of all provisions of the Convention.
4. Please provide information at the disposal of the State party on the setting up of a permanent and independent mechanism, such as a national human rights institution or an ombudsman, with the mandate to monitor and evaluate the progress of the implementation of the Convention.
5. Please provide updated information on the activities of the National Committee for the Follow-up on the Convention of the Rights of the Child.
6. Please provide information on whether a new national plan of action for children has been developed and whether it covers all areas of the Convention and takes into account the objectives and goals of the outcome document entitled “A world fit for children” of the United Nations General Assembly special session on children in 2002.
7. Please provide information on the content of, and implementation measures for, the Seventh Five-year Development Plan 2006-2010, particularly those relevant to the implementation of the Convention on the Rights of the Child.
8. Please provide updated information on the policies and programmes adopted and implemented to promote the respect for the views of the child, children’s participatory rights and their access to information.
9. Please provide information on the ban on the use of child camel jockeys adopted in 2005, the task force for the follow-up on the situation of children in camel races, and the measures taken so far to implement the ban and the results of these measures.
10. Please provide information on the status of the Juvenile Law bill and the draft Judiciary Organization Law.
11. Please provide updated information on efforts to disseminate the Convention, the State party report, and the previous concluding observations of the Committee (CRC/C/15/Add.161).
12. Please provide updated information on efforts made to provide training on and awareness of the Convention and human rights in general, to children, parents, teachers, religious and community leaders, social workers and other professionals working with and for children.
13. Please provide updated information on the cooperation between the State party and the national and international communities, including non-governmental organizations, in the efforts to implement the Convention.
14. Please indicate the issues affecting children that the State party considers to be priorities, requiring the most urgent attention with regard to the implementation of the Convention.
