** The issues raised under article 2 could imply also different articles of the Convention, including but not limited to article 16. As general comment No. 2, para. 3, states “the obligation to prevent torture in article 2 is wide-ranging. The obligations to prevent torture and other cruel, inhuman or degrading treatment or punishment (hereinafter “ill-treatment”) under article 16, paragraph 1, are indivisible, interdependent and interrelated. The obligation to prevent ill-treatment in practice overlaps with and is largely congruent with the obligation to prevent torture ... In practice, the definitional threshold between ill-treatment and torture is often not clear.” See further chap. V of the same general comment.
