## Committee against Torture

### List of issues prior to submission of the initial report of Somalia\*

#### Specific information on the implementation of articles 1–16 of the Convention

##### Articles 1 and 4

1. Please provide detailed information on the measures taken to adopt a definition of torture in domestic criminal law that is consistent with article 1 of the Convention and that includes appropriate penalties, taking into account the grave nature of acts of torture. Please include information on measures taken to explicitly criminalize attempts to commit torture and acts constituting complicity or participation in torture and to define them as acts of torture. If there is no such definition, please provide information on criminal or legislative provisions covering all cases of torture and the associated penalties. Has the State party taken steps to ensure that acts amounting to torture are not subject to any statute of limitations? Please indicate whether the Convention can be directly invoked before domestic courts. Please provide specific examples and statistical data on cases, if any, in which the provisions of the Convention have been invoked before the courts.

##### Article 2<sup>1</sup>

2. Please provide information on measures taken by the State party and on the procedures in place to ensure that:

(a) All detainees enjoy in law and in practice all legal safeguards from the outset of their deprivation of liberty, in particular the rights to have access to a lawyer, to request and receive an examination by an independent physician of their choice, to be informed of their rights and of the charges against them, to notify a relative or any other person of their choice of their arrest, and to be brought promptly before a judge,<sup>2</sup> regardless of the reasons for their arrest;

(b) Detention registers are kept scrupulously up to date;

\* Adopted by the Committee at its sixty-second session (6 November–6 December 2017).

<sup>1</sup> The issues raised under article 2 could also touch on issues raised under other articles of the Convention, including article 16. As stated in paragraph 3 of the Committee's general comment No. 2 (2007) on the implementation of article 2 by States parties, the obligation to prevent torture in article 2 is wide-ranging. The obligations to prevent torture and other cruel, inhuman or degrading treatment or punishment under article 16 (1) are indivisible, interdependent and interrelated. The obligation to prevent such ill-treatment in practice overlaps with and is largely congruent with the obligation to prevent torture. In practice, the definitional threshold between ill-treatment and torture is often not clear. See also chapter V of the same general comment.

<sup>2</sup> See A/HRC/33/64, para. 50.

(c) Legal aid is available to the most disadvantaged.

3. Please indicate the measures taken to establish a national human rights institution that complies with the principles relating to the status of national institutions for the promotion and protection of human rights (the Paris Principles).<sup>3</sup>

6. Please comment on allegations of sexual exploitation and abuse by personnel of the Uganda Peoples' Defence Forces at and around the headquarters of the African Union Mission in Somalia, the Mission's base camp and the camp of the Burundian National Defence Forces contingent in Mogadishu.

7. Please provide up-to-date statistics on complaints, investigations, prosecutions, convictions and sentences imposed on perpetrators of criminal acts relating to harmful traditional practices, and on the assistance and compensation afforded to victims. In addition, please indicate the measures that the State party has taken to strengthen its efforts to combat harmful traditional practices, such as female genital mutilation/cutting<sup>9</sup> and early and/or forced marriage.<sup>10</sup>

8. Please provide up-to-date information, disaggregated by the victims' age, sex and ethnic origin or nationality, on the number of complaints, investigations, prosecutions and convictions and the sentences imposed in cases of human trafficking during the reporting period.<sup>11</sup> Please also provide additional information on:
