Report of the pre-sessional working group

1. It is the practice of the Committee on the Elimination of Discrimination against Women to convene a pre-sessional working group for five days to prepare lists of issues and questions relating to the initial and periodic reports that will be considered by the Committee at one of its future sessions.
2. The Committee decided that the pre-sessional working group for the sixty-first session of the Committee would meet from 10 to 14 November 2014, immediately after the fifty-ninth session, in order to ensure that sufficient time would be available to States parties to submit their written replies to the lists of issues and questions, as well as to ensure their timely translation.
3. The following experts were designated as members of the pre-sessional working group and attended the session:¹

Violeta Neubauer
Theodora Nwankwo
Maria Helena Pires
Patricia Schulz
4. The pre-sessional working group elected Ms. Pires as its Chair.
5. The pre-sessional working group prepared lists of issues and questions with regard to the reports of Bolivia (Plurinational State of), Croatia, the Gambia, Namibia, Saint Vincent and the Grenadines, Senegal, Spain and Viet Nam. In that regard, it was guided by Committee decision 49/IX, according to which the Committee decided to limit such lists to 20 questions. In practice and exceptionally, some lists contain a maximum of 22 questions.

¹ Barbara Bailey had been designated as a member of the pre-sessional working group for the sixty-first session, but was unable to attend. She nevertheless contributed in absentia to its work.

6. To assist in the preparation of the lists of issues and questions, the pre-sessional working group had before it the reports of the States parties listed above, in addition to the core documents of most of those States parties; the general recommendations adopted by the Committee; background information and draft lists of issues and questions prepared by the secretariat; and other pertinent information, including concluding observations of the Committee and other treaty bodies, if relevant. In preparing the lists, the pre-sessional working group paid particular attention to the States parties' follow-up to the concluding observations of the Committee on their previous reports.

7. The pre-sessional working group benefited from written and oral information submitted by entities and specialized agencies of the United Nations system and non-governmental organizations.

8. The lists of issues and questions adopted by the pre-sessional working group were transmitted to the States parties concerned and are contained in the following documents:
