1. It is the practice of the Committee on the Elimination of Discrimination against Women to convene a pre-sessional working group for five days to prepare lists of issues and questions relating to the initial and periodic reports that will be considered by the Committee at one of its future sessions.
2. The Committee decided that the pre-sessional working group for the sixty-fourth session of the Committee would meet from 23 to 27 November 2015, immediately after the sixty-second session, in order to ensure that sufficient time would be available to States parties to submit their written replies to the lists of issues and questions, as well as to ensure their timely translation.

20 questions. In practice and exceptionally, some lists contain a maximum of 22 questions. In accordance with its decisions 58/II, 59/IV and 60/IX, the Committee, on a pilot basis, prepared a list of issues and questions prior to reporting under its optional simplified reporting procedure, namely a list of issues and questions prior to the submission of the combined sixth and seventh periodic reports of Ireland. In that regard, it was guided by its decision 59/IV, according to which the Committee decided to limit such lists to 25 questions.

6. To assist in the preparation of the lists of issues and questions, the pre-sessional working group had before it the reports of the States parties listed above, with the exception of Ireland, in addition to the core documents of most of those States parties; the general recommendations adopted by the Committee; background information and draft lists of issues and questions prepared by the secretariat; and other pertinent information, including concluding observations of the Committee and other treaty bodies, if relevant. In preparing the lists, the pre-sessional working group paid particular attention to the States parties' follow-up to the concluding observations of the Committee on their previous reports.

7. The pre-sessional working group benefited from written and oral information submitted by entities and specialized agencies of the United Nations system, non-governmental organizations and national human rights institutions.

8. The lists of issues and questions adopted by the pre-sessional working group were transmitted to the States parties concerned and are contained in the following documents:

(a) List of issues and questions in relation to the fourth periodic report of Albania ([CEDAW/C/ALB/Q/4](#));

(b) List of issues and questions in relation to the combined seventh and eighth periodic reports of France ([CEDAW/C/FRA/Q/7-8](#));
