Committee on the Rights of the Child

List of issues prior to submission of the combined sixth and seventh periodic reports of Sierra Leone*

1. The State party is requested to submit in writing the information requested below (21,200 words maximum), if possible before 15 February 2023. The replies should take into consideration the Committee's recommendations contained in its concluding observations on the combined third to fifth periodic reports of the State party,¹ adopted on 1 November 2016. The Committee may take up all aspects of children's rights set out in the Convention and its Optional Protocols during the dialogue with the State party.

I. New developments

2. The Committee requests the State party to provide:

(a) Information on the adoption or reform of laws, policies and programmes, and any other type of measures taken, such as the creation or reform of institutions, that are significant for the implementation of the Convention, the Optional Protocol thereto on the involvement of children in armed conflict and the Optional Protocol thereto on the sale of children, child prostitution and child pornography and information on any discussion on the signature and ratification of the Optional Protocol to the Convention on a communications procedure;

(b) Information on the measures taken to ensure the protection of the rights of children in the context of the coronavirus disease (COVID-19) pandemic and to mitigate the adverse effects of the pandemic, in view of the Committee's statement of 8 April 2020 on the effects of the COVID-19 pandemic on children;

(c) Any other information that the State party considers relevant in this regard and that is not covered in the replies to the questions below, including information on obstacles and challenges faced.

3. The Committee also requests the State party to provide information on how a child rights-based approach is integrated into the planning, implementation and monitoring of measures for achieving the Sustainable Development Goals, including with regard to the participation of children and data collection, and how such measures promote the realization of children's rights under the Convention and the Optional Protocols thereto.

* Adopted by the pre-sessional working group on 1 October 2021.

II. Rights under the Convention and the Optional Protocols thereto

A. General measures of implementation (arts. 4, 42 and 44 (6))

Legislation

4. Please provide information on measures taken to:
 - (a) Finalize and adopt the review of the Child Rights Act;
 - (b) Ensure that all domestic legislation complies with the Convention;
 - (c) Review the removal of the minimum age of criminal responsibility in the amendment of 2019 to the Sexual Offences Act, in order to comply with the Convention.

Comprehensive policy and coordination

5. Please provide information on the steps taken to:
 - (a) Ensure that the development and implementation of national policies affecting children encompass all areas covered by the Convention and are supported by sufficient human, technical and financial resources;
 - (b) Implement and budget for key policy actions relating to children's rights under the midterm national education for development plan, 2019–2023;
 - (c) Clearly define the mandates of the Ministry of Social Welfare and the Ministry of Gender and Children's Affairs with relation to children's issues and explain how they coordinate their mandates on children's rights;
 - (d) Strengthen the capacity of the National Commission for Children to develop a comprehensive policy and strategy on addressing and monitoring children's rights and protection issues and clarify its role and mandate.

Allocation of resources

6. Please provide detailed information on the measures taken to:
 - (a) Incorporate a child rights-based approach into the State budgeting process and ensure the sufficient and equitable allocation of resources for promoting and protecting children's rights among the social, education, health and child protection sectors;
 - (b) Continue eradicating corruption and ensure a transparent, accountable and participatory budgeting process, including by involving children;
 - (c) Identify internal sources of financing for the implementation of policies affecting children;
 - (d) Ensure that children, in particular those in vulnerable situations, are not affected by regressive measures taken in response to the COVID-19 pandemic and the potential consequences of the economic crisis triggered by those measures.

Data collection

7. Please provide an update to the Committee on the efforts made to improve the collection and quality of disaggregated data relating to the implementation of the Convention, in particular data on children with disabilities.

Dissemination, awareness-raising and training

8. Please provide information on the systematic training of all professional groups working with and for children and on awareness-raising programmes, including in local languages and through community-based structures, for children, parents and the general public on the Convention, the Optional Protocols thereto and the Committee's concluding observations.

Independent monitoring

9. With reference to the recommendations contained in the Committee's concluding observations on the combined third to fifth periodic reports of the State party,² please provide information on obstacles to the implementation of the Human Rights Commission Act and on measures to ensure that the Human Rights Commission is able to discharge its responsibilities independently and has sufficient financial and human resources to receive, investigate and address complaints by children in a child-sensitive manner.

Children's rights and the business sector

10. Please explain whether companies operating in the State party are required to undertake environmental and health impact assessments with public consultation and/or to make full public disclosure of the impact on children's rights and their plans to address them.

B. Definition of the child (art. 1)**Minimum age of marriage**

11. Please inform the Committee of any measure taken to amend the Registration of Customary Marriage and Divorce Act, which allows for child marriage, especially of girls.

C. General principles (arts. 2–3, 6 and 12)**Non-discrimination**

12. With reference to the Committee's previous recommendations,³ please provide an update on bringing the Constitution's provisions on non-discrimination into full compliance with the Convention and on eliminating discrimination against groups of children in the most vulnerable situations, such as girls, children with disabilities, children infected with HIV and children affected by HIV/AIDS, orphaned children and children in rural areas.

Best interests of the child

13. Please inform the Committee about the steps taken to:

(a) Undertake child rights impact assessments for any proposed policy, legislative, regulatory, budget, international cooperation or other administrative decision that affects children and their enjoyment of their rights;

(b) Ensure that the right of the child to have his or her best interests taken as a primary consideration is appropriately integrated into, and consistently applied in, all legislative, administrative and judicial proceedings and decisions.

Respect for the views of the child

14. Please provide information on the measures taken to promote the meaningful participation of children in the family, in the community, at school and in all decisions affecting them.

D. Civil rights and freedoms (arts. 7–8 and 13–17)**Birth registration**

15. Please provide information on the legislative, administrative and practical steps taken or envisaged to:

² CRC/C/SLE/CO/3-5, para. 10.

³ Ibid., para. 13.

- (a) Harmonize the data collected on births by the National Civil Registration Authority and the Ministry of Health and Sanitation and clearly define their roles in birth registration and certification;
- (b) Ensure the provision and collection of birth certificates after birth registration;
- (c) Remove fees for birth registration and certification and address reports of the purchase and sale of birth certificates;
- (d) Ensure an adequate number of staff, and that they are properly trained, for birth registration and provide them with equipment at the regional registration centres;
- (e) Ensure that migrant children, refugee children and children in street situations have access to birth registration and birth certificates;
- (f) Ensure that the lack of a birth certificate does not hinder access to child protection services or basic social services.

E. Violence against children (arts. 19, 24 (3), 28 (2), 34, 37 (a) and 39)

Freedom of the child from all forms of violence

16. Please provide an update on the measures taken or envisaged to:

- (a) Prohibit corporal punishment by law in all settings and enhance awareness of non-violent parenting methods;
- (b) Investigate and sanction the reported police and military violence in enforcing measures to curb the spread of the COVID-19 pandemic;
- (c) Tackle and combat domestic violence and bullying and violence at school, including that which is perpetrated by teachers and school staff;
- (d) Ensure that the perpetrators of violence against children are systematically held accountable;
- (e) Strengthen the capacities of family support units to increase their outreach at the village level;
- (f) Ensure the availability of legal support, child-friendly confidential complaint mechanisms and age-appropriate information on access to counselling and redress, including compensation and rehabilitation.

Sexual exploitation, abuse and gender-based violence

17. With reference to the Committee's previous recommendations,⁴ please provide information on the following:

- (a) Whether the age of majority has been established by law;
- (b) The functioning, information management, availability and accessibility of the child helpline established in 2020 to respond to gender-based violence and child sexual abuse, including whether the helpline is accessible online;
- (c) Measures to enhance awareness of the harmful impact of child sexual abuse and to ensure reporting and the availability of appropriate services for referral, in particular in rural areas;
- (d) The availability of legal aid and psychological support personnel in the one-stop centres for addressing gender-based violence and child sexual abuse and whether the support provided is age-appropriate;
- (e) The funding allocated for post-rape services and the social integration of children who are victims of sexual violence;

⁴ Ibid., para. 21.

(f) Multisectoral measures to investigate reported cases of sexual violence against children and to prosecute and punish the perpetrators, without any exception, including by not accepting any out-of-court settlements in such cases, in order to eliminate impunity;

(g) Any measures to set up a national system for documenting and tracking gender-based violence and child sexual abuse.

Harmful practices

18. With reference to the Committee's previous recommendations,⁵ please provide an update on the legislative and practical steps taken or envisaged to prohibit and eradicate child marriage and female genital mutilation. In particular, please provide information on measures taken or envisaged to:

(a) Prohibit female genital mutilation in law;

(b) Implement the national strategy for the reduction of adolescent pregnancy and child marriage, 2018–2022;

(c) Conduct awareness-raising campaigns on the negative consequences of child marriage on girls, on the negative consequences of female genital mutilation and on the African Union campaign to end child marriage.
