  - (d) working and/or living in the street (please provide statistical data on talibés); and
  - (e) affected by the Casamance conflict.

### **B. General measures of implementation**

1. The Committee would appreciate receiving information on those activities meant to implement recommendations contained in the Committee's previous concluding observations on the initial report of Senegal (CRC/C/3/Add.31) that have not yet been fully implemented, in particular regarding: de facto forbidding of female genital mutilation as well as any form of corporal punishment within the family; ensuring an equal age for marriage for girls and boys; and measures taken to ensure the effective enjoyment of the fundamental rights and protection of any form of discrimination against talibés.
2. Please provide information on cases, if any, in which the Convention has been directly invoked in domestic courts, and if so, please provide examples of such cases.

3. Please provide information on the Independent Monitoring Mechanism, as well as on its mandate and budget allocation. Indicate if the State party intends to develop a National Human Rights Commission or an Ombudsman for children with the Jurisdiction to receive complaints.
4. Please provide information on the National Plan of Action, in particular whether it covers all areas of the Convention and takes into account the objectives and goals of the outcome document entitled “A world fit for children” of the United Nations General Assembly Special Session on Children in 2002, and on the measures taken to implement the Plan.
5. Please give information on procedures of, and on the bodies effectively involved in, data collection.
6. Please provide updated information on efforts to disseminate the Convention, the State party report and the previous concluding observations of the Committee (CRC/C/15/Add.44).
7. Please provide updated information on efforts made to provide training on, and awareness of, the Convention and human rights in general, to children, parents, teachers, social workers and other professionals working with and for children.
8. Please provide updated information on the cooperation between the State party and the international community, including with non-governmental organizations, in the efforts to implement the Convention.
9. Please indicate the issues affecting children that the State party considers to be priorities, requiring the most urgent attention with regard to the implementation of the Convention.

## **PART II**

**Please provide the Committee with copies of the text of the Convention on the Rights of the Child in all official languages of the State party as well as in other languages or dialects, when available. If possible, please submit these texts in electronic form.**

## **PART III**

**Under this section, the State party is to briefly (3 pages maximum) update the information provided in its report with regard to:**

- new or enacted legislation;
- new institutions;
- newly implemented policies;
- newly implemented programmes and projects, and their scope.

#### **PART IV**

**The following is a preliminary list of major issues (which does not contain issues already covered in Part I) that the Committee may take up during the dialogue with the State party.
