## Committee on the Elimination of Discrimination against Women

Pre-sessional working group

Seventy-eighth session

13–17 July 2020

### Consideration of reports submitted by States parties under article 18 of the Convention on the Elimination of All Forms of Discrimination against Women

#### Report of the pre-sessional working group

1. It is the practice of the Committee on the Elimination of Discrimination against Women to convene a pre-sessional working group for five days to prepare lists of issues and questions relating to the initial and periodic reports that will be considered by the Committee at an upcoming session.

2. The Committee decided that, owing to the coronavirus disease (COVID-19) pandemic, the pre-sessional working group for the seventy eighth session of the Committee would meet remotely from 13 to 17 July 2020, immediately after the seventy-sixth session, which was also held remotely, in order to ensure that sufficient time would be available to States parties to submit their written replies to the list of issues and questions and to ensure their timely translation.

3. The following experts were designated as members of the pre-sessional working group and attended the session:

Tamader Al-Rammah  
Marion Bethel  
Esther Eghobamien  
Dalia Leinarte  
Ana Peláez Narváez

4. The pre-sessional working group elected Ms. Bethel as its Chair.

5. The pre-sessional working group prepared lists of issues and questions with regard to the reports of Bolivia (Plurinational State of), Indonesia, Peru, the Russian Federation, South Sudan and Uzbekistan, in addition to lists of issues prior to reporting for Norway, Slovakia and Slovenia. The pre-sessional working group was guided by Committee decisions 49/IX, 59/IV and 64/II, according to which the Committee decided to limit lists of issues and questions and lists of issues prior to

reporting to 20 and 25 paragraphs, respectively. However, in practice and exceptionally, some lists of issues and questions contain a maximum of 23 paragraphs.

6. To assist in the preparation of the lists of issues and questions, the pre-sessional working group had at its disposal electronic versions of the core documents of the States parties listed above. It also had at its disposal the reports of the States parties listed above, with the exception of Norway, Slovakia and Slovenia, which will submit their periodic reports in response to the list of issues prior to reporting; the general recommendations adopted by the Committee; draft lists of issues and questions and lists of issues prior to reporting prepared by the secretariat; and other pertinent information, including concluding observations of the Committee and other treaty bodies, as relevant. In preparing the lists, the pre-sessional working group paid particular attention to the States parties' follow-up to the concluding observations of the Committee on their previous reports, except in the case of South Sudan, which had submitted an initial report.

7. The pre-sessional working group benefited from written and oral information submitted by entities of the United Nations system and non-governmental organizations, as well as national human rights institutions, with regard to the States parties listed above. For some States parties, the number of submissions received was limited owing to the COVID-19 pandemic.

8. The lists of issues and questions and lists of issues prior to reporting adopted by the pre-sessional working group were transmitted to the States parties concerned and are contained in the following documents:

(a) List of issues and questions in relation to the seventh periodic report of the Plurinational State of Bolivia ([CEDAW/C/BOL/Q/7](#));
