Committee on the Rights of the Child

List of issues in relation to the sixth periodic report of the United Republic of Tanzania*

1. The State Party is requested to submit in writing additional, updated information, of 10,700 words maximum, by 15 February 2026. The Committee may take up all aspects of children's rights set out in the Convention during the dialogue with the State Party.

Part I

2. Please update the Committee on:

(a) Progress in the review of legislation, in particular concerning issues such as marriage as an exception to the offence of statutory rape committed against a girl child, child marriage, corporal punishment and equal inheritance rights for boys and girls, in line with the Convention;

(b) The proposed repeal of the Zanzibar Children's Act, 2011, and measures to ensure that any new legislation does not weaken the protections guaranteed under that Act.

3. Please provide updated information on:

(a) The high-level interministerial body that is currently responsible for coordinating activities in the area of children's rights, and the financial, technical and human resources allocated to it;¹

(b) The review of the Tanzania Child Development Policy (2008) and the adoption of the equivalent policy for Zanzibar;

(c) Progress with aligning budget commitments with the global and regional budget allocation standards, including 20 per cent for education and 15 per cent for health.

4. Please inform the Committee of any plans to empower the Commission for Human Rights and Good Governance: (a) to conduct full investigations into all alleged human rights violations, including those involving military, police and security officers; and (b) to engage with international human rights bodies without seeking prior government approval. Please provide information on budget allocations to the Commission and measures to ensure that it has sufficient resources to effectively and independently fulfil its mandate.

5. Please update the Committee on the measures taken to implement the National Action Plan on Albinism (2021–2031) to end discrimination against children with albinism and ensure that they have adequate access to essential services, such as education and healthcare. Please clarify how the State Party's law enforcement agencies are ensuring that children, including those with albinism, are protected from violence, ritual killings and abductions,

* Adopted by the Committee intersessionally on 22 October 2025.

6. Please update the Committee on the provision of free birth registration and certification services for children.

7. Please indicate what specific action has been taken, and the results thereof, to reduce violence against children, including sexual exploitation and abuse, within families, at school, online and as a result of so-called traditions, and to ensure that child victims of abuse receive support.

8. Please indicate whether the State Party has taken specific steps in all settings:

- (a) To end child marriage of both girls and boys;
- (b) To end corporal punishment, both in law and in practice;
- (c) To strengthen the implementation of the national plan of action for the elimination of female genital mutilation and to disseminate and enforce legislation concerning female genital mutilation.

9. Please indicate what steps have been taken:

- (a) To develop and implement a clear national strategy for the reform of alternative care;
- (b) To prioritize foster care;
- (c) To monitor and inspect unregistered homes and informal family-based alternative care settings,² as well as children's institutions;
- (d) To ensure that children with albinism are not abandoned or institutionalized;
- (e) To use separate facilities for children who are incarcerated with their mothers.

10. Please provide information on:

- (a) The review of the National Policy on Disability (2004);
- (b) The mainstreaming of sign language and the status of implementation of inclusive education throughout the country;³
- (c) The provision of assistive learning devices for children with disabilities and of sun protection for children with albinism.

11. Please provide information on measures taken:

- (a) To reduce the rates of neonatal mortality and adolescent pregnancy;
- (b) To ensure that children with additional needs and those living in rural areas have access to medical doctors, services and facilities;
- (c) To ensure access to adequate nutrition for children in schools and in low-income families;
- (d) To provide safe sewage systems and clean and safe water infrastructure.

12. Please provide updated information on the legislative, administrative and budgetary measures taken to ensure that adolescents have access, particularly in rural areas, to sexual and reproductive health services, such as contraception, safe abortion, maternal healthcare and comprehensive sexual education, and on action taken to prevent HIV infection.

13. Please specify what steps have been taken:

- (a) To provide adequate learning and teaching facilities, including for children with disabilities;

² Ibid., para. 113.

³ Ibid., paras. 118–125.

- (b) To ensure the availability of qualified teachers and school feeding programmes from pre-primary to secondary school;
- (c) To reduce the high dropout rate among children with albinism;
- (d) To ensure that menstruation hygiene facilities are provided in schools and that pregnant adolescents and adolescent mothers are supported to continue with their education;
- (e) To end violence against children in schools, including harmful punishment;
- (f) To increase the completion rate in secondary education.

14. Please provide information on measures taken to protect children from hazardous work, including drug-related, sexual and mining activities.

15. In the context of the child justice system, please provide the Committee with information on:

- (a) The standards of pretrial and detention facilities;
- (b) Diversion measures being used;
- (c) The training of legal aid providers on juvenile justice services, especially in rural areas;
