INTERNATIONAL HUMAN RIGHTS TREATY BODIES

**RECENT REPORTING HISTORY UNDER THE PRINCIPAL
INTERNATIONAL HUMAN RIGHTS INSTRUMENTS**

At their eleventh meeting in June 1999, the chairpersons of human rights treaty bodies recommended that the Office of the High Commissioner for Human Rights (OHCHR) produce a document, on an annual basis, outlining the recent reporting history of States parties to the treaties.

It lists, for all 191 Member States of the United Nations and for three additional States, territories or entities that are a party to one or more of the main international human rights treaties, the last report(s) submitted under the treaties and examined by the corresponding monitoring bodies and the next report(s) due, including any reports that may be overdue.

Member States are encouraged to carefully review the contents. It is current as of 3 June 2005. Please contact OHCHR regarding inaccuracies it may contain. The present document reflects the corrections brought to the attention of the Secretariat since the publication of the preceding version.

The information contained in this document emanates from the Treaty Body System (TBS), an electronic database that manages information relating to many aspects of the work of the seven treaty monitoring bodies. The TBS is accessible through the website of the Office of the High Commissioner for Human Rights (<http://www.ohchr.org>).

ORGANES CRÉÉS EN VERTU D'INSTRUMENTS INTERNATIONAUX RELATIFS AUX DROITS DE L'HOMME

BILAN RÉCENT DE LA PRÉSENTATION DES RAPPORTS DES ÉTATS PARTIES

À leur onzième réunion, en juin 1999, les présidents des organes créés en vertu d'instruments internationaux relatifs aux droits de l'homme ont recommandé au Haut-Commissariat aux droits de l'homme (HCDH) d'établir chaque année un document faisant le point de la présentation des rapports des États parties aux traités.

Il indique, pour chacun des 191 États Membres de l'Organisation des Nations Unies et pour trois autres États, territoires ou entités parties à un ou plusieurs des principaux instruments internationaux relatifs aux droits de l'homme, les derniers rapports présentés en application des traités pertinents et examinés par les organes de surveillance correspondants; il indique également le ou les prochain(s) rapport(s) attendu(s) des États parties, ainsi que les rapports dont la présentation pourrait avoir subi des retards.

Les États Membres sont invités à en contrôler attentivement le contenu. Le document est à jour le 3 juin 2005. Toute inexactitude décelée dans celui-ci peut être signalée au HCDH.

La présente mise à jour tient compte des corrections portées à l'attention du secrétariat depuis la parution de la version précédente du document.

Les informations figurant dans le présent document proviennent du système de suivi des traités (SST), base de données électronique mise en place pour gérer les informations concernant les multiples aspects des activités des six organes de suivi des traités. Le SST est accessible sur le site Internet des Nations Unies pour les droits de l'homme (<http://www.ohchr.org>).

ÓRGANOS CREADOS EN VIRTUD DE LOS TRATADOS DE DERECHOS HUMANOS

HISTORIAL RECIENTE DE LOS ESTADOS PARTES EN MATERIA DE PRESENTACIÓN DE INFORMES EN VIRTUD DE LOS PRINCIPALES TRATADOS INTERNACIONALES SOBRE DERECHOS HUMANOS

En su décima primera reunión, celebrada en junio de 1999, los presidentes de órganos creados en virtud de los tratados de derechos humanos recomendaron que la Oficina del Alto Comisionado para los Derechos Humanos (OACDH) preparase anualmente un documento en el que figurara el historial reciente de los Estados Partes en materia de presentación de informes.

En el documento se enumeran, en relación con los 191 Estados Miembros de las Naciones Unidas y otros tres Estados, territorios o entidades que son Partes en uno o más de los principales tratados internacionales sobre derechos humanos, el último informe o los últimos informes presentados de conformidad con los tratados y examinados por los órganos de supervisión correspondientes, así como el siguiente informe o informes que debían presentarse, incluidos los informes atrasados.

Se alienta a los Estados Miembros a que examinen detenidamente el contenido. Está actualizado al 3 de junio de 2005. Sírvanse ponerse en contacto con el OACDH si observan alguna inexactitud. El presente documento refleja las correcciones señaladas a la Secretaría después de la publicación de la versión anterior.

La información que figura en este documento procede del sistema de órganos creados en virtud de tratados (TBS), una base de datos electrónica que administra la información relacionada con los diversos aspectos de la labor de los seis órganos de supervisión de los tratados. El TBS es accesible a través de la página Web de las Naciones Unidas sobre derechos humanos (<http://www.ohchr.org>).

Combined reports · Rapports consolidés · Informes conjuntos

Several committees have adopted special measures which allow States parties, under certain circumstances, to combine more than one overdue report in a single document (combined report). Instances of this practice are shown in the recent reporting history when, for a particular State party, several reports to be examined are shown with the same due date. For further information on the practice of each committee, please refer to the Secretariat of the relevant committee.

Certains comités ont adopté des mesures spéciales qui permettent à des Etats parties dans certaines circonstances de combiner plusieurs rapports en retard en un seul document (rapport consolidé). On peut trouver des exemples de cette situation dans le bilan récent de la présentation des rapports lorsque plusieurs rapports d'un même pays apparaissent comme devant être

examinés à la même date. Pour de plus amples informations concernant chaque comité, prière de vous adresser au secrétariat des comités respectifs.

Varios comités han adoptado medidas especiales que permiten que los Estados partes, en ciertas circunstancias, junten más de un informe atrasado en un sólo documento (informe conjunto). Estos casos aparecen en el historial reciente de los informes cuando para un Estado parte existen varios informes a examinar con la misma fecha en la cual son debidos. Para información adicional sobre la práctica de cada comité, por favor referirse a la secretaría del comité relevante.

Country Names · Noms de pays · Nombres de países

The recent reporting history is ordered alphabetically using the English version of the official United Nations short form of names of countries. In certain cases this differs from the expected alphabetical order in English so that, for example Tanzania appears under ‘U’ for ‘United Republic of Tanzania’. It also differs in many cases from the usual alphabetical order for name of countries in French and Spanish. The following index will assist in identifying where to find the record for each State party. Countries not appearing in the expected alphabetical order are indicated in **bold**.

Les informations sur la présentation des rapports sont classées selon l’ordre alphabétique anglais des noms usuels (forme brève) des pays. Dans certains cas elles ne respectent pas l’ordre alphabétique habituel en anglais de sorte que, par exemple, la Tanzanie apparaît sous le ‘U’ comme ‘United Republic of Tanzania’. Dans beaucoup de cas elles ne respectent également pas l’ordre alphabétique habituel pour le nom des pays en français et espagnol. L’index suivant aidera à trouver le nom de chaque Etat partie. Les pays qui ne sont pas classés dans l’ordre alphabétique attendu sont indiqués en caractères **gras**.

El historial reciente de los informes está clasificado en orden alfabético usando la versión inglesa abreviada de la lista oficial de las Naciones Unidas de los nombres de los países. En ciertos casos, este orden puede ser diferente al orden alfabético esperado en inglés, de modo que, por ejemplo Tanzania aparece bajo ‘U’ como ‘United Republic of Tanzania’. También pueden existir diferencias con respecto al orden alfabético utilizado para los nombres de países en francés y español. El siguiente índice asistirá a encontrar el historial para cada Estado parte. Los países que no aparecen en el orden alfabético esperado están indicados usando **negrilla**.
